

## The Record Speaks

### We Welcome Amigos

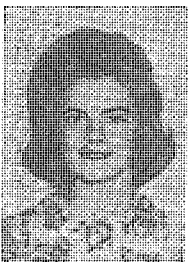

By Nancy Franks

Today Guatemala is being pressed by two forces, Communism and Democracy. The people of Guatemala are divided into these two factions, each trying to overrule the other. This problem is of great concern to the people of the United States. In their efforts to spread good will and increase understanding, the Miami Herald is sponsoring Operation Amigo in which Hialeah is now taking part.

Dear Amigos,

You are here on behalf of the efforts of your country and mine to establish a better understanding between the leaders of tomorrow.

We are glad to have you here.

In this age where Communism is such a threat to our democratic way of life we are grateful to have the opportunity to show you the way Americans live and how our government operates.

We will not try to paint a picture for you. During your two weeks stay we will try to show you examples of things which best exemplify the American ideals.

Perhaps when you think of examples of our heritage you will recall such great documents as the Declaration of Independence and the United States Constitution; our Industrial Revolution; our achievements to advance in the fields of automation, medicine, and education; the world leadership we gained after World War I; the creation of the United Nations; and our recent claim in the race for space.

But perhaps the greatest example of our heritage will be shown to you this week when you eat Italian food, go to a Catholic church, talk to a Jewish student, see a French movie and listen to a Negro spiritual. These are all combinations which compose the rare American heritage.

We will be trying to show you our United States, which is exactly states and people united for a common cause, this cause being freedom for all and world peace.

We hope that despite our everyday concern over teenage problems you will catch a glimpse of this flame which has ignited the hearts of generations of Americans.

We are very glad to have you here. It is our privilege, our chance to clarify the much distorted picture of the American way of life.

It will be sad when you leave, yet in a sense happy. For we will know that when you go home, 36 Guatemalans will spread the truth about America.

## Religion Is No Joke

What kind of people are we? During the Christmas season there was a joke about the difference between God and Santa Claus (Santa Claus is real). Now at the greatest season of Christianity, Easter month, another sacrilegious joke has sprung up. When I was told that we're not having Easter next year I was puzzled. It seems they found Christ's body. Even though it makes you chuckle, it's not funny. We as Christians should be well aware of the horrible hardships Christ suffered to give us the key to the Golden Gate. We should be God fearing instead of God fanning people. One fool in our school goes around singing: My hands are nailed—my feet are tied. I can't rock & roll—'cause I'm crucified. Surely these "jokes" are told only for fun; but nevertheless they are the height of heresy. We of the "Record" appeal to the students of Hialeah to refrain from such jests. God gave his only begotten son so that we may live in His kingdom. Is this the way we should treat Him?

## It's Not Too Late, Says The American Ideals

Dear John and Mary,

As each day passes, you tread onward on the road of life and live here 24 hours to completion. You eat three meals a day, sometimes more, rarely less, tie at least one part of shoestrings, unless you don't take phys. ed., greet friends and snub enemies.

You are unique, and important to at least one person. You are someone's joy and someone's trial. You love life and fear death. You are tomorrow's leaders, parents, and guides. You are America's hope. Actually, the majority of you are dependable, trust worthy, and personable teenagers. Then there are those who defy all adults, laws and codes of ethics—you are rebels seeking a way to discard the bonds of childhood and walk forward to adulthood. You hope to skip over the greatest time of your life. Being a teenager.

Those who try to escape in a guise of questionable morals have only arched eyebrows and whispered rumors to face. These beings become seemingly unconcerned with tomorrow and try to forget yesterday. He becomes jittery, loud, and coops emotions inside, afraid to unload on anyone. He forgets how to laugh and learns how to cry.

It's even worse when others must face these rumors, perhaps true, and turn in shame at what is said. When a group of people are dragged into an issue it not only becomes a problem for them, but a question of honor and security—a question of ethics.

I am sure, John and Mary, you know what I've been trying to say, you've read the papers. You've also read beyond that, to the inside pages and learned a little about your school and the decent kids who attend her classes.

You may even secretly envy the things they've accomplished in the short time they've been kicking around—only actually some of them are even younger than you! Maybe if YOU put a little effort in the things you like to do, you may even succeed in some worthwhile activity. You could give it a try—that is if you really want to. That's important—you must WANT to, you can't kid yourself . . .

Well, John and Mary, it's up to you. What are you going to do? It's not too late to change the lyrics in your tune. You may even sing it with a little extra zing—you may find it an exciting song. Join the chorus; join decency!

Respectfully,  
AMERICAN IDEALS.

## Letters To The Editor

THANK YOU JOURNALISTS

Dear Editor,

On behalf of my fellow students I would like to express my thanks and appreciation for the fine annual received this year.

Mrs. Alfreda Miller and her annual staff worked diligently all year, spending even their spare time on this project.

The pictures and thoughts expressed in this annual surely were that of Hialeah High, instead of just fictitious representation.

I would also like to include the "Hialeah Record" and its staff on the fine job they have done all year.

Our newspaper compares with the best in the entire state for high school publications, so we have a right to be proud of it.

In closing I would just like to say, the next time you pick up an annual or newspaper, read it ALL. Students have contributed very excellent writing, so read it, and you might gain something.

OPERATION AMIGO GOOD

Dear Editor,

Through 'Project Amigo' I feel that we students can reach a goal, set by adults, seemingly impossible to reach: that is, to overcome the misunderstandings, the mistrusts, and the cultural gaps existing between Latin America, and the Uni-

ted States. While the students are guests in T-bred homes, they will have ample time to study our domestic life, and by word of mouth we will learn about theirs.

As a result of these efforts, there will be people of our own age capable of giving an accurate picture of the 'Yankee' students. This will serve as a fortress against Communism, and a road to future successes through mutual efforts.

EASTER ASSEMBLY, BUT  
NO EASTER

Dear Editor,

Because of the overcrowded condition of our school the student body fully realizes the fact that we would have to have more than one Easter Assembly. But what I and many other classmates do not understand is why the last assembly of the week which we attended was not the same as the two previous ones.

Not downgrading the orchestra for its performance, this assembly was not from many students view point of the same calibre as the others.

Secondly, the most obvious point was that the assembly was not at all in the Easter Spirit as only one song was played that related to the season.

## Juvenile Delinquency Must Be Stopped

Much talk concerning juvenile delinquency has arisen in the past few years. All aspects of the American social structure have been affected by the tumultuous changes of the past half-century but the emergent problems have become particularly acute in certain critical areas. Two of the most sensitive of such areas are the American family structure, rudely torn from its firm anchorage in tradition and custom fifty years ago, and the network of personal relationships profoundly rooted on the changing family pattern.

Our youth are puzzled and do not know what is expected of them. Today our families are weakened in comparison with the traditional family and its accepted rights and responsibilities.

Today's youngsters are living in a world of violent change. Wars and depressions spawn tremendous changes and instability. The old pattern in which one was able to raise children in a somewhat protected kind of community doesn't hold any more.

Although it is a fact that delinquency reflects the fast changing

character of American life and the upset of this results in social, moral, and legal standards, the public is not ready to face the nature of their dissatisfaction as to what has brought it about. What can be done about it? How much are they themselves responsible for?

Juvenile delinquency, what we now call it, is not new. As to whether the extent of it is greater now than in the past, this point is debatable. It is today, a matter of great concern to a great number of individuals, about which something must be done.

## Does H.H.S. Need Patio?

Recently the student council announced their plans for a student patio. What a marvelous thing this patio will be, as sophisticated Thoroughbred dance under the sparkle of the stars and the moon. How Romantic.

But let's stop to think. Is this patio really necessary or is it just a status symbol?

The patio will cost \$1,000, for the first layer of terrazzo. Is it truly worth the effort or could we take this money and put it toward some more constructive purpose?

The school library is in desperate need of book shelves. It can also use current news and new books. The English and history departments are in need of text books. The students, if they want to study, must go after school and check-out the books. This is very hindering to those students that want to study and find out that all of the books have been checked out.

The audio-visual department could use new equipment. Tape recorders phonographs, movie projectors, etc.

The science department needs equipment, test tubes, instruments for dissecting, microscopes, chemicals, plates, etc.

The Music Department also needs music stands, instruments, and uniforms.

The Physical Education Department needs equipment, cheerleading uniforms, and football equipment.

And now! To round out our educational program at H.H.S., the students wish to have a patio!

A check for \$1,000 made out to Hialeah would be far more beneficial to the student body than a special patio for students to be used for dances under the stars.

## Nasty Book, Must Read

Why must high school students be cheated out of reading a best selling novel which to most of them would give a sensitive realistic picture of adolescent problems. The best seller is J. D. Salinger's "Catcher In The Rye," a book which is getting very bad publicity and criticism from many people who fail to understand its purpose and therefore cannot fully appreciate its significant quality. Many of the people who have judged the novel carelessly in many cases haven't even read the book. These people must be labeled as ignorant. After an individual has read the book then and only then should he take the liberty to pass judgment.

People who fall into this category of intolerance and misunderstand Salinger's motives and his sincere purpose in writing *Catcher In The Rye* should not be allowed to dictate to others if they can read it or not. Most high school students that have read the book find it interesting as well as educationally enlightening. This book which deals with a problem, a very human problem. Naturally this problem is handled with utmost realism but it is also handled with caution and intelligence, so that it is quite evident that the individual reading *Catcher In The Rye* isn't attracted to the author's realistic outlook but his brilliant treatment of the character's problem which is all the more highlighted by the effective use of language and the imaginative situations.

It's our job to ask ourselves how much freedom do we really have.

## Hialeah Paper Doll

SENIOR, ROSE ANNE TAYLOR is shown here with a best friend, Tawny Lee, who happens to be a very attractive chestnut stallion. Rose spends most of her spare time riding and caring for Tawny Lee. At Hialeah High Rose is a member of Tri-M. She was a member of 3-M for two years and is now a member of BEB chorus.

# Cheerleaders Receive Phony Pony From Tony

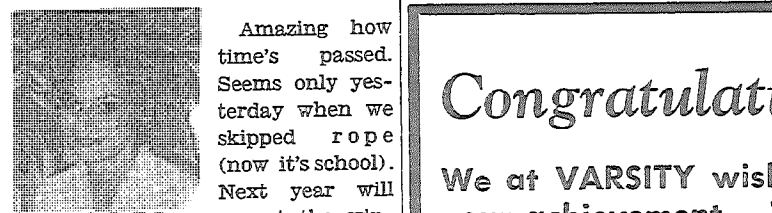

HIALEAH HIGH is now the proud possessor of another Tony T-Bred. This ceramic red, white, and blue horse was given to the school by Mr. Tony Benedetto. Tony (the horse, that is!) will be placed on his own pedestal in the school gym for all to admire.

## Annuals To Annoy And Enjoy

By Beverly Knight

I'll always cherish my good 'ol annual. Just finished reading the nice inscriptions from friends—you know kids that you've known since kindergarten days when we had such subjects as Sandbox 1, Yo-Yo Lessons, and Advanced Swing Set.

Amazing how time's passed. Seems only yesterday when we skipped rope (now it's school). Next year will fly, and I DO mean out the window. Now I'm drifting—got a little misty there—but I've toughened up, (they don't call me hardhearted for nothing, you know, made of stone . . . sniff . . .)

To get back to what I started to write. About these annuals, they seem like a recording faction of all the good and embarrassing moments encountered in the halls and classrooms of H.H.S. This brings to mind the most recent and it does involve ye olde annual.

Seems a certain English teacher was opposed to signing annuals and she caught a certain homo sapiens signing el yours truly's little faction of good and embarrassing times. Of course she became rather perturbed and removed the book in question from the signee's person. Naturally I couldn't retrieve the enclosed property until the class was terminated so I waited in utter misery and extreme loneliness until I could obtain my rightful property.

At last I pranced happily from room of doom and passed an old pal on the stairs who asked me to put my John Hancock on his recording faction. Of course I agreed—who can resist?

We exchanged and I was to get my little brown book back at lunch.

When I finally observed him in the cafeteria he lowered the boom and explained that as he trodded out the door el certain English teacher, (he had her next period—

# Prom Poses Problems

I have a problem, but it is a personal one. I'm a wallflower because of my shyness. Well, there's this girl I like and want to take to the senior prom. I know this girl likes me and would like to go with me, but I'm afraid to ask her. Every time I attempt to ask her, she begins talking about something else, and I lose my confidence.

The other day when I met her in the hall I was about to tell her to shut-up so I could ask her something when SHE asked me to take her to the prom. I don't think it is right for a girl to ask a boy as she did, for it kills his masculinity.

I would like your advice, concerning this proposition, should I accept? Also, what kind of flowers do you think she will send me?

## The Dress Of My Dreams

Pretty little prom dress  
Looking so sedate,  
I'd wear you to the senior prom  
If I only had a date!

I'd walk into the Fontainebleau  
And set my friends aflutter;  
Of all the hundred dresses,  
Like you, there'd be no other!

Good tidings! Little prom dress!  
Bill just called upon the phone;  
I must run to buy you,  
Before I find you gone.

Alas, dear silk organza,  
A sadness ends my rhyme;  
Your tiny little price tag  
Spout the numbers 69!

# Exchange Teacher Her Goal

"Do you really want to know what I want to be? I want to be a teacher overseas in Africa."

I could hear the sound of a thousand drums and the yell of wild natives going after their kill as pixish Marie Burns replied to my question.

She doesn't want to go as a missionary or a member of the Peace Corps but rather as an American exchange teacher.

Marie is a senior at Hialeah and you can often tell her apart from the rest of the crowd by the blouse-full of pins she wears.

A member of Anchor, Pep Squad,

National Honor Society, Student Council and the Senior Senate, Marie also worked for the '62 Hi-Ways. "Doesn't the senior section look great? I like the index. Did you see my name on the top ten page?" She was also voted as active Anchor member.

Number 55 senior is frequently a member of the honor roll and Spanish is among her favorite subjects. Her sharp wit and pessimistic attitude makes her a very interesting individual and a popular member of the class of 1962.

Why should Africa be her destination and perhaps point of no return?

"Be cause I think Africa is at a point where it needs teachers more than the United States does. I never think of not returning."

Marie Burns is a senior at Hialeah and you can often tell her apart from the rest of the crowd by the blouse-full of pins she wears.

## Interesting Statistics On The Cuban Population

Our Cuban population is growing. Every year it seems to get larger and larger. In this year's Senior class there are 18 Cuban born students. One-half of these students are immigrants that have come to Miami because of the Cuban revolution.

In Hialeah's Junior class there are 52 Cuban born students. To be exact, 31 of them are immigrants. The Sophomore class has 99 Cuban born students. There are 78 students that are immigrants. Hialeah has 169 Cuban born students and 118 immigrant Cubans.

Varsity Shop is the mecca for the young men of high school and college ages who are interested in styling. The natural look is featured with black and olive remaining as the most popular colors. All shirts and slacks are stressing tapered tailoring. The tab collared shirt in both long and short sleeves is the best seller in dress shirts. The "hottest" item at this time is the double breasted light blue denim sport coat with double vented, belted back. At VARSITY the personnel is always available for style consultation and assistance on any clothing problem. It is truly the shop "where young men shop with ease for clothes that please."

## Wheel Chooses Sweethearts

Last month Wheel announced its Sweethearts for the '63-64' school year. Reigning will be Dinah Deptula, Margie Lucas, and Virginia Reynolds. These girls were chosen by Wheel members for their personality, charm, grace, and school service. All are Anchor members.

Wheel this month is participating in "Work-Day" in which Wheel members will work for faculty members as well as Rotary Club members. The money raised will be contributed toward the Hall of Fame. Hall of Fame winners will be announced at the Awards Assembly in May.

Recent events include the annual Wheel-Key basketball game, held May 7 in the Hialeah High Gym at 3:15 p.m. Proceeds will go toward new uniforms for the Cheerleaders.

Officers for Wheel for the '63-'64 school year will be announced soon.

## Key Carries On

By Angelo Clasca

A recent event of importance in Key Club will be the Key-Anchor Beach Party May 6. Also, the much awaited Key Wheel Basketball Game which will be held three days after the beach party, May 9.

In the near future Key will announce its sweetheart and darlings.

Major past events include the installation of air conditioners in the offices and an overwhelming victory for Key Club in its activities during Derby Day when it emerged champion over all the other clubs which participated.

Because Key is interested not only in local activities but also in national affairs, the greatest effort is being made to acquaint the club with the needs and problems presently confronting our nation. In their endeavor to accomplish this Key has invited several prominent people to speak at their meetings.

Subjects to be discussed will include various topics of major interest such as: communism and its threat to the Free World and American Democracy, combatting complacency, and understanding the workings of free enterprise.

This was done in the earnest effort to form, and develop those qualities which are necessary to becoming a better informed, useful, and active individual.

# Key Captures Trophy At Carnival-Derby Day

The annual Carnival Derby Day, held this year by Anchor and G. A. A. combined, was a great success, with plenty of laughs and fun for all. Key Club took first honors, with Wheel second and Civinettes placing third.

Starting the fun was the egg throwing contest. After each throw was successfully made the contestants would take one step back and throw again. This contest was met with some hilarious results. As Rose

DERBY DAY played host to many wild and hilarious antics, only one of which is pictured here.

Marie Maynard from Honoria ran up to catch her egg it failed to reach her outstretched hands, landing, instead, in her lap with a splash

Two groups were left, Chuck Kleinschmidt, from Key and Sandy Mongelli and Becky Anders from Girls' Athletic Association. Key came in first, while G.A.A. finished second.

Another funny event was the bubble blowing contest. The object was to see how big a bubble each person could blow. Key Club placed first with Cathy Spiaggia from Anchor second, and Winnie Bur from GAA placing third.

Refreshments for the T-Breds were sold by GAA, Anchor, and Future Nurses.

## Civinettes Elect

Civinettes, H.H.S. service club, has elected new officers for next year. Presiding is Vera Lee Lopez, with Barbara McWilliams assisting her in the position of vice-president.

Keeping accurate records will be Linda Claypool as recording secretary. The job of Beverly Demarco will be to handle all Civinettes' correspondence.

Lounet Shelton has been elected treasurer, and Susie Lymon is chaplain.

Civinettes answered the call of WFUN at Eastertime and donated Easter eggs. The Miami radio station in turn donated the eggs to needy of hospitalized children.

Representatives from Civinettes and her brother club Civitan attended a convention in Tampa May 3, 4, and 5. State officers were elected, and a Miss Jr. Civitan was chosen. Senior Judy Wolgast was nominated from Hialeah for this title.

Civinettes are proud to say that they can claim to have some of the school's outstanding students in their ranks. Civinettes members Sandy Olivero and Andra Gregory were elected respectively, vice-president and corresponding secretary of Student Council, and Beverly Tiegs is a delegate to Girl's State.

## FHA Holds Hawaiian Luau

The Future Homemakers of America Club enjoyed their last social gathering Saturday evening, May 5.

The theme of their farewell party was a Hawaiian Luau, which was at vice-president, Brenda Mayo's home.

The Hawaiian atmosphere gave way to a stunning buffet of deliciously arranged foods.

Entertainment was provided for by each member of the club. There was dancing, swimming, and playing games. As Geri Hennings, President of F.H.A., said, "All in all, we really had fun." And as one last statement about the party, she goes on to say, "The part I think we most enjoyed was being able to dress Hawaiian style."

## Sorrota Chartered

Sorrota girls, service club, was officially added to Hialeah High School's list of school clubs Tuesday night, April 24, in room 804. Mrs. Keen brought the meeting to order at 7:30. Mrs. Keen is president of Soroptimist Business Women's Club of Hialeah and Miami Springs who is sponsoring Sorrota.

Installation of Sorrota officers and the signing of the new club's charter took place followed by an adjournment of the meeting for refreshments and conversation between Sorrota girls and sponsors of the women's club.

Officers of the club are Barbara Spaceff, president; Lynn Brenner, vice-president; Barbara Perkins, secretary; and Karen Alpaugh, treasurer.

## Anchor Announces

Hialeah High's Anchor Club has announced its Admiral and Shipmates for the 1963-64 school year. Admiral, Jimmy Robertson, and Shipmates, Harold McGee and Skip Alexander were announced at the Nautical Cruise held on the Dreamboat on April 27.

Anchor Club will enter the Inter-Club Council Talent Show May 3 in the Auditorium with a number with Chris Riley, Dinah Deptula, Laura Hunt, Cathy Spiaggia, and Becky Brown vocalizing, Nancy Berthiaume, Ann Skalko, Melinda Cortez, and Margie Lucas dancing and Martha Inglis accompanying on the piano.

Anchor Club has been fortunate this semester in having Miss Priscilla George help out as their co-sponsor.

### KEY CLUB'S Thought for the month:

To reply to a nasty remark with another is like trying to remove dirt with mud. (Spanish Proverb).

# Swimmers Enter State Contest

Hialeah High boys' swimming team finished their regular season with a victory over McArthur. The team also finished third in the county as Jackson took the championship with 121 points, while North Miami was second.

Mike Szydio finished second in the 100-yard backstroke while Jim Roos finished in the 100-yard free-style.

The T-Breds' 200-yard relay team finished second only to Jackson.

The members of the swim team are sitting: L. Anderson, B. Patton, L. Cunningham, N. Hammer-

strom, L. Temple, B. Walker, C. Riley, R. Maxwell. Second row: S. Kerr, B. Grey, U. Risse, S. McGee, C. Gardner, L. Wiggins, S. Lefort, D. Kastan, F. Lee, L. Anglin, J. Quimby, S. McElveen, C. Cambell, C. Smiley, K. Mathers; Third row: J. Salzer, E. Nance, D. Obrecht, P. Barry, W. VanDuser, B. Mickley, B. Hoffman, N. Pieso, T. Land, M. Szydio, D. McDonald, R. Fernandez, L. Pizzi, R. Kukral, R. Roos. Standing: B. Chapman, C. Thornbury, G. Branner, L. Jordan, J. Voyles, C. Braskey, L. Delph, D. Simmons, J. Jacobs, B. Brabec, T. Tootle, S. Hullen, R. Robinson, B. Marks, C. Greer, R. Obrecht, and coach Samuel Griner.

## Honor Courses Now Available

Approximately 450 Hialeah students happily received next year's honors English, mathematics, and/or science recommendations from their homeroom teachers on Wednesday, April 25.

For honors English, they must have scored anywhere from the 94 to the 97 percentile or above on the verbal section of the SCAT test taken at the beginning of the year. For honors English 12, they must have ranked in the 83 to the 95 percentile in the Junior Placement Test.

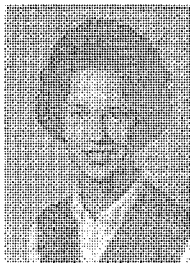

In honors mathematics, it is required that a student place in the 95 to the 99 percentile on the quantitative section of the SCAT test.

Then comes the most difficult group to get into: the honors science group. The requirements for that are a 'B' or above average in previous science courses.

## Arlene Kraczyk Ranks First

Arlene Kraczyk, a junior at Hialeah won the honor of placing first in the fifth division at the State High School Tennis Tournament in Gainesville.

Arlene went a trying three sets for victory. She dropped the opening set 6-2, but yet never gave up, returned and plunged from behind (1-4) to win the second set 6-4.

The third set showed a great deal of stamina and courage on the part of both girls. Arlene finally defeated her opponent with a close 7-5 victory in the final set.

Arlene was awarded a gold medal for her victory.

As is shown by the scores of the tennis games, Arlene is a girl who never gives up and usually wins.

She takes her practices very seriously and, perhaps, that is why she

is so successful in tennis, says her coach, Mr. Tom Lazzarro.

The Hialeah High girls team finished in the upper 25 per cent of the competing teams ranking fourth out of the 16 different teams that participated.

The tennis team and coach Thomas Lazzarro would like to thank all of the school organizations and students that helped send the tennis teams to state.

"It was quite gratifying to realize that so many of the students were behind us and wishing us well in the state tournament."

# Barbara, An Extramural Girl

By Brenda Rowe

Black hair, dark eyes, cute, nice and quite short, added to a great personality makes up an outstand-

ing senior Barbara Perkins.

Barbara, or better known as "Perky Pot," has been chosen by all the physical education teachers to be featured in this edition of the RECORD as "Extramural Girl."

Along with her many other fine features, Barbara is also very good in all sports. She can always be depended upon. To have her on any team is always to find a girl with great school spirit; one who is always behind her team 100 per cent.

...Barbara participates in all girls' intramurals, and has made the following sportsday teams: volleyball, basketball.

She has been a member of Girls' Athletic Association for two years and is now chaplain in her senior year.

Barbara has gained many high honors at Hialeah in her three years of attendance... She has been a member of Pep Squad for three years and is now sergeant-at-arms. She was also a member of Y-Teens 10, 11, Sorrota secretary 12.

Barbara was chosen Hi-Y sweetheart in the eleventh grade, and the senior class chose her as "Friendliest."

Just as Barbara is being chosen on all the girls' sportsday teams, she is also a very active member of the Pep Squad and is an enthusiastic fan at all varsity sports.

## Badminton Tournament To Be Held

Ending the year for girls interested in participation in sports is the badminton tournament.

The tourney will be held at Miami Jackson High School with every high school in Dade County eligible to participate.

Hialeah will be sending two doubles girls teams; two doubles boys; two singles boys and girls, and two mixed doubles teams.

Also representing Hialeah will be several officials who will officiate in the badminton sports day, Thursday and Friday, May 18 and 19.

These people have been practicing one night a week since the middle of the school year. Last year Hialeah had only two teams place in the tournament and this year victory is what the teams are striving for.

"I feel we are very capable of winning, because we have great potential on our teams. Of course, more practice is required," stated this year's badminton coach, Miss Jimmie Ruth Songer.

"I second the motion," stated senior Sut Bowman, as she went on to speak of Hialeah's chances. "I believe that Hialeah will have several winners because not only do we have the skill and knowledge, but we have good sportsmanship and never ending pep and zeal."

To find the results of this tournament, be sure and read the next edition of the RECORD.

## Students Enter U. F.

Journalism and yearbook students are going to attend the Fourth Annual Journalism and Yearbook clinic which is held at the University of Florida school of Journalism.

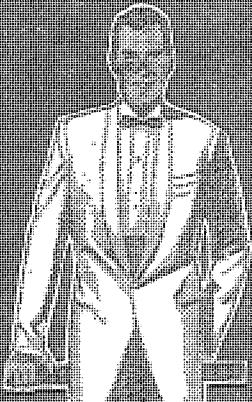

In the past three summers 700 students have attended. These students come from several neighboring states. There will be one week for each student. The yearbook section will be held June 17 to June 22; newspaper, June 24 to June 29. The cost for this trip is \$27.50. This covers tuition, room, banquet, planned entertainment, insurance, and miscellaneous expenses. The students will live on the campus in the University dormitory and will participate in several events which will include regular students.

# Hialeah Loses Herald TourneyCinders Take

Tom (Cadillac) Johnson knocked in the winning run, in the bottom half of the seventh frame, with his fourth hit of the day as Hialeah won their opening game of the Herald Tourney 5-4 over Miami Beach.

The T-breds went into the last inning needing two runs to tie and three to win. Bruce Sturges led off with a walk which was followed by David Magnole's double and Kit Wyatt's run producing single.

Pablo Nieves then proceeded to smash the first pitch thrown to him for a single to tie the ball game at 4-4. Richard Hough then was intentional walk to set up Johnson's 370 foot smash.

Hough won his sixth straight game as he went the distance while striking out only one and walking five.

**VANCE WINS SIXTH**

Ricky Vance pitched his third shut out and his sixth victory as the T-breds collected 12 hits in beating Norland 6-0. This was tournaments semi-final round.

Led by Neal Kropff (three hits), Pablo Nieves (three), and David Magnole (two) Hialeah collected their highest total of hits in the game this year.

The T-breds scored what was to be the winning runs in the third on Nieves run scoring triple and Richard Hough's well executed squeeze bunt.

Vance had a perfect night as he struck out six while walking none in going the distance.

## T-BREDS FORGET HITTING SHOES

Hialeah High baseball team left their hitting shoes home as the T-breds lost the championship game of the Herald Tournament 5-2 to Miami Edison.

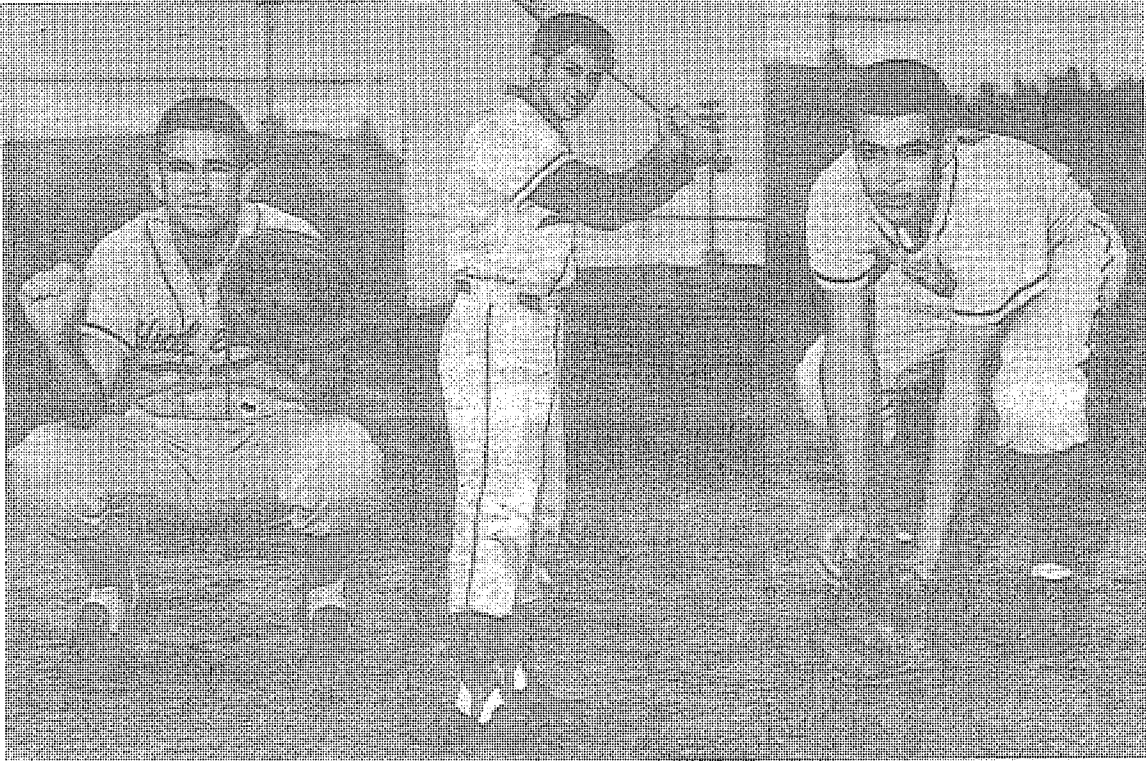

Hialeah was leading the tournament's teams in hitting as they had 21 hits in two games.

Richard Hough suffered his first loss of the season as he went the distance, striking out seven and having no walks.

## HIALEANS HONORED

Tom Johnson, Neal Kropff, and Pablo Nieves were named to the MIAMI HERALD ALL-TOURNAMENT TEAM while Kropff, Nieves and David Magnole finished second in their categories in the contests before the game.

Beach	000	030	1-4	8 4
HIALEAH	011	000	3-5	9 2
HIALEAH	002	004	0-6	12 3
Norland	000	000	0-0	4 2
HIALEAH	002	000	0-2	3 2
Edison	020	030	x-5	7 2

THESE ARE THIS YEAR'S BASEBALL CAPTAINS: Neal Kropff, David Magnole and Pablo Nieves. Neal is one of the county's finer catchers while David is a perky spray hitter and is batting over .300. Pablo is also one of the finest shortstops in Dade although he usually doesn't field with a catcher mitt.

## Beat Southwest

# T-Breds Tie Miami High For District Eight Class AA Title

Hialeah High's baseball team went to Miami Field with one thing on their mind and that was to beat Miami High and that's just what they did as they defeated them 5-2.

Fireball Rick Vance went the distance for the first victory over the Stings for the T-Breds. Vance fed Miami fast balls for the first three innings and then started throwing curves in the last three.

This was Vance's fifth victory of the season against two losses of which one was a loss to the Stings. Rick brought his strike-out total to 53 as he struck out the last batter of the game.

Hialeah found themselves behind at the bottom of the first as a walk, stolen base, double, and single scored two runs. But Bob Ylla erased that with a two-run homer in the top half of the second inning.

In the third frame Kit Wyatt tripled after one was out and scored on the shortstop's error. This put the T-breds out in front to stay.

An inning later Tom (Cadillac) Johnson led off with a single which was followed by a double by Ylla to score the fourth run.

The last run was scored with Ylla on second and none out. Ruffi Men-

endez and Neal Kropff bunted two "beautiful" sacrifices to score Ylla.

HIALEAH	021	200	0-5	7 1
Miami	200	000	0-2	7 2

Vance and Kropff; Peeple and Bush.

## Hialeah Gains Tie In Southern Div.

Hialeah gained a tie or the Southern Division of the Gold Coast Conference as they defeated the Southwest Eagles by a 4-2 count.

The T-breds fell behind as usual in the early innings but clutch hitting by Bob Ylla, Bruce Sturges, Richard Hough and Neal Kropff kept Hialeah in the game.

Hialeah scored the winning run in the fourth when Sturges led off with a double to right. This was then followed by a pass ball and a sacrifice fly by Neal Kropff.

Rick Vance made his first start in two weeks after being laid up with a sore arm as he went the distance while striking out 11 and walking only four. This was the junior's fourth victory.

Southwest	100	110	0-2	5 3
HIALEAH	020	110	x-4	9 3

Armstrong and Matthews; Vance and Kropff.

## T-Breds Surprised 7-5

Hialeah was dealt a surprise blow when the Explorers of Christopher Columbus upset the T-breds by a 7-5 score at the winner's field.

# Cinders Take Sixth Win In Dual Meet

Hialeah track team keeps getting closer to defeating the undefeated Ft. Lauderdale Flying L's as they finished second in the Stranahan Invitational meet at Lockhart Stadium.

The Flying L's scored 67 points while the T-breds finished with 54½. Other scores were: South Broward 42½, Stranahan 39½, North Miami 36, and Miami Jackson 28½.

Vance Caesar was Hialeah's only double winner as he won the 120-high and 180-low hurdles. He also ran on the winning sprint medley team.

Hialeah scored in 12 of the 15 events as they picked up points in the discus and the shot put. Harry Tickle placed third and fifth respectively.

Hialeah added South Broward to their string of victories in dual and in triangular meets as they won by a 71-52 score.

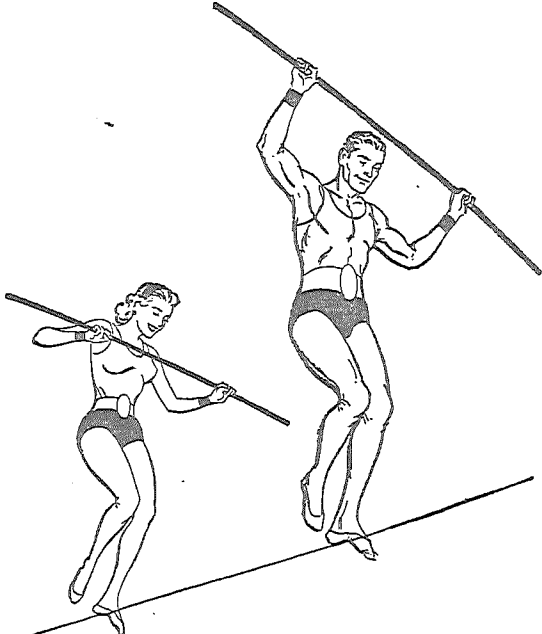

Vance Caesar as usual won both the 180-yard low hurdles and the 120-yard high hurdles while Buddy Williams finished right behind for second place in both.

Buddy Tickle was a double winner also as he won both the shot put and the discus. Brian Houser won the high jump and finished second behind teammate Gary Willis in the broad jump.

# Operation Amigos Underway

## Student Body Turns Out To Welcome 36 Guatemalans

FOREIGN STUDENTS Sonia Ortiz from Panama, and Irene Love from Scotland say Hola to the Guatemalan students.

Almost all of Hialeah High turned out to greet the most recent group to participate in Operation Amigo, 35 Guatemalan students, 22 boys and 13 girls, when they arrived at the Miami International Airport on April 30.

The high school students are staying in the homes of Hialeah High student hosts for two weeks. These visitors will attend classes with their student hosts and live for 14 days as an American student.

About 50 per cent of these students speak English, and 30 per cent understand it. A Latin American student in a previous visiting group wrote to the Herald and said, "... This project is doing more good in Latin America than all the billions of American dollars poured into foreign aid."

The project was undertaken when

a representative from the Miami Herald asked the Student Council for their help. Once the affirmation was assured the Council, headed by president Walter Fohs, proceeded to plan for the arrival.

The Guatemalan group was met by thousands of Hialeah students and the marching Thoroughbred band.

Besides participating as an American student the "Amigos" will be taking field trips to courts, city slum areas, Homestead Air Force base besides many other places of interest so as to get a clear picture of the United States.

### Student Reactions

The favorable student reaction to Operation Amigo was voiced by many students.

Senior Cora Sue Zolobosky stated, "I believe it is a privilege and an honor for Hialeah to participate in Operation Amigo. I feel that in a way this will lay a more powerful foundation to the relation between Guatemala and the U.S."

John Barbieri and Paul Dant, seniors who are taking in an Amigo commented, "This is a smart move, for it will lead to better understanding between us and the Spanish speaking people."

Carol Roby believes that such an activity will not only be heartwarming for those involved, but it will also awaken many students to the problems of other countries.

Many students were looking up Guatemala and taking more of an interest in the present problems which now face the "Amigos."

TUESDAY, MAY 8, 1962

## Japanese Theme Sets Mood For Senior Prom

Highlighted by a 15-piece orchestra and an oriental and Japanese theme at the Fontainebleau Hotel will be the 1962 senior class prom, three days from now, May 12.

The prom which will be held in the Grand Ball Room at the Fontainebleau, will cost only \$3.00 per couple because of the profits made by the senior class in the senior play and other senior sponsored activities.

The banquet which will follow the prom a week later, May 19, will

be held at the Everglades Hotel.

Graduation, which will follow on the heels of the prom and banquet, will be June 9, at 2:00 at the Dade County Auditorium. Seniors will be excused early on Tuesday preceding graduation for a practice exercise.

Senior girls have been requested to wear pastel colored dresses at the graduation. Cameras and picture taking will not be allowed at the graduation exercises.

Mr. Richard Cook has been asked to give out the diplomas at the exercise this year. The actual diploma will not be given, however, until the caps and gowns are returned.

### Musicians Get Air-Conditioning

The efforts of the Music Department towards getting their long wished air-conditioning, for both the band and choral rooms, has finally come through. This was only made possible after all the music students at H.H.S. worked the entire first part of the first semester, at selling boxes and boxes of Forbe's Peanut Brittle, to raise the approximate total cost of the project of \$8,000.

Finally just four weeks ago three units were installed in the bandroom. However, the planned air-conditioning for the choral room may not be installed until next fall, depending upon school-board releases and financial ability.

### 'Peter Pan' Helps To Finance Prom

"Peter Pan" flew to the rescue of the senior class, by donating over \$250.00 to the senior prom.

An agreement was made between the drama department and the seniors, that if seniors sold a thousand tickets they would receive 60 per cent of all profits. The seniors did not reach their goal, but 40 per cent of all ticket sales went to the seniors. Ten patron tickets were also sold, contributing to the profit.

### Anthology Accepts Hialeah Poetry

Eight Hialeah students will have some of their poetry published in the "Anthology of High School Poetry of Florida."

Corrine Appleby received special mention for having her poem published. "The Beach at Sunrise: Autumn." Others who received awards for them were: Clyde Fry "Ode to Pammatt"; Marie Burns "Death"; Lurlene Gallagher "Leaves"; Peter Hallbert, "The Mountain"; Julie Heydel, "Mother Nature"; Rose Marie Menes, "The Sun"; and Marilyn Lutz, "The Mystical People They."

These students' work will be published this spring. The book can be purchased for \$1.00. The awards and a copy of the poem can be seen in the window of the showcase in room 311.

## Juniors Plan Spring Dance

May 26 is the date which has been set for the Junior Class dance. It will be held in the school cafeteria to the theme of Shipwrecked, complete with accessories. It will be informal up to the knees, that is, burmudas and anything else corresponding with the theme of the dance will be worn.

The price of admission is 75 cents per person. This low price includes refreshments consisting of canapes (little sandwiches) and a liquid which is still indefinite. There is a lot of work to be done to prepare for this event and all juniors are asked to assist.

If you can aid the progress of this affair either through work or suggestions, you may contact any one of the junior class homeroom representatives or Henry Polic, junior class president.

"Any and all help will be greatly appreciated," stated junior class treasurer, Ann Schilp.

## Thoroughbreds Win Contests

The month of April was the month for contest results. School winners were announced for the winners of the Herald Spelling Contest, the Advertising and the Civitan essay contests, the Optimist Oratory contest, and the results of the National Scholarship award.

### KENT MOMSEN WINS ADVERTISING CONTEST

The Webster Outdoor Advertising Co. was the sponsor of the essay contest in which Hialeah High School students participated. Many hopeful students entered the essay contest but three emerged victorious. The first place winner, a senior, is Kent Mommson; the second place winner, Elis Marotta; and third place winner James Freeman. The first prize was \$25 second was \$15 and third prize was \$10.

### SOPHOMORE TAKES OPTIMIST PRIZE

Hialeah orators swept all three trophies in the Optimist Club Oratory Contest, April 24.

Bruce Mieremberg won the first place trophy and qualified for the state contest May 19 at Miami Beach.

James Freeman placed third and Larry Pederson placed second with their original oratories titled "The Creative Force of Optimism."

### LYNN KINSKEY TAKES TOP AWARD

Five students won savings bonds just for expressing their feelings on "What Makes America Great," the Civitan Essay Contest. The bonds ranged from \$25-\$100.

Taking honors for first place, was Senior Lynn Kinskey, who won the \$100 savings bond, Valerie Gardner won a \$50 bond for coming in second, and the third, fourth and fifth place winners all received \$25 bonds. They were Gemmalee Connel, Charles Middleton, Robert Marks respectively.

Lynn will be entered in the Regional Contest.

### LARRY ROBERTS IS SPELLBOUND

Senior Larry Roberts topped all spellers in the Miami Herald Spelling Contest for the second year in a row.

Placing first in the senior division, Larry also won the school honor.

Judy Kaid was the winner from the junior level and Christine Riley won on sophomore level. Judy was also school runner-up.

Larry will now go on to compete with other schools for the county prize.

### NATIONAL MERIT WINNERS

Peter Gullotta was one of four students from Dade County who was awarded the National Merit Scholarship.

Peter will also apply his scholarship to the University of Chicago where he hopes to enter next fall.

## H.H.S. Band Goes To Tampa

Hialeah High's Symphonic and Marching bands will leave Thursday morning, May 3, for Tampa, where they will participate in the State Band Masters' Contest.

The two bands are taking this trip as a result of two superiors received at the District Contest held in March.

The bandsmen, numbering about 200 in all will fill a total of six buses, and will be gone three days.

They will put on the same performances that they put on at North Miami High for the District.

Results of the contest will be announced in the next issue of this paper.
